

77-0488/1

25 March 1977

Gundlach

NOTE FOR DCI:

Attached is another copy of the note I gave you some days ago in anticipation of your meeting with Senator Inouye. I think the points covered there are still pertinent.

STAT You are also aware, of course, of the situation with respect to the statement; that is, that we objected to a sentence in the statement concerning contacts with one individual and the Committee staff is now attempting to rewrite the paragraph in which that sentence appears.

STAT

George L. Cary
